## Celebrating the outstanding achievements of

*Debby Brown, Mary Alice Brumley, & Cheryl Van Zandt*

Please join Texans Can Academies - Fort Worth in honoring Debby Brown, Mary Alice Brumley, and Cheryl Van Zandt at the 2018 Texans Can - Fort Worth Cares for Kids Luncheon.

Every year, Texans Can hosts a luncheon to honor community leaders who have dedicated their lives to serving others. Because of their positive impact on society and their devotion to the Fort Worth community, they have been selected as this year's honorees. Together, they have chaired the Union Gospel Mission (UGM) of Tarrant County Ladies Luncheon for the last seven years.

"UGM is in the business of offering a future and a hope to those who feel hopeless. I am so inspired that Texans Can Academies does the very same thing. The students who attend the academy are being prepared to reach beyond hopelessness and challenging circumstances, to have a future and a hope," said Cheryl Van Zandt.

"What inspires me most about Texas Can Academies is that, just like their mission, it is a place for people to have a second chance. My passion in all of my volunteer work throughout the community has been by God's word and by His grace to help those who need a second chance wherever they may be in life," said Mary Alice Brumley.

"I have been blessed to volunteer in many capacities, but my passion is relationship's. Texans Can Academies' mission is to help kids at risk better themselves and to ensure their economic independence. Mary Alice, Cheryl, and I feel privileged to help out any way we can. Everyone deserves what God has so graciously given us three," added Debby Brown.

Texans Can Academies is proud to recognize Debby Brown, Mary Alice Brumley, and Cheryl Van Zandt for their commitment to making an impact on the underserved and underprivileged youth. Proceeds from this annual event benefit the students of Texans Can Academies - Fort Worth, who seek a second chance and renewed hope through a high school education.
